

FEARS IT CANNOT
GET FAIR HEARINGNorfolk Lodge Scores Controller
Dickson for Receiving Ex-
Parte Statements.

[Special to The Times-Dispatch.]
Norfolk, Va., January 17.—In a lengthy letter to Controller Harvey M. Dickson, in which he scored the controller for hearing ex-parte statements of Captain W. P. Ford and the colored janitor at Odd Fellows Hall regarding the reported attempt of Captain Ford to install a dictagraph in the rooms of the Norfolk Lodge, Brotherhood of Railway Clerks, Cyrus P. Flick, attorney for R. J. Davis and the Norfolk Lodge, today asked that Mr. Davis's letter, calling the board's attention to the matter, be returned.

In the course of his letter in reference to statements made by Captain Ford and the hearing of them by Mr. Dickson, Mr. Flick says:

"Although you protested to us that we should be accorded a perfectly fair hearing if we desired to present our evidence before you, we cannot rid our selves of the fear that after all that has occurred your subconscious mind would not permit of an entirely unprejudiced hearing and judgment, although you should endeavor to give it or might really believe that you had done so."

The case probably will be taken out of the hands of the Board of Control and laid before the Mayor. The City Council may also investigate the charges.

TACKLES WRONG MAN

Trump Asks Undertaker for Money to
Keep Him From Grave.
[Special to The Times-Dispatch.]
Washington, January 17.—A tramp, who today asked Representative Daniel A. Driscoll of Buffalo, for a quarter to "keep him from the grave," discovered that Representative Driscoll was an undertaker and not interested in keeping people alive.

"I am starving to death," said the tramp to the undertaker-Representative, "and if you want to keep me from the grave loan me 25 cents."

"You have tackled the wrong man," responded Mr. Driscoll coolly. "I am not keeping any one from the grave."

Many Citizens Want Office.
Salisbury, N. C., January 17.—Politics has warmed up early in the game in Swain County, and there are candidates galore for the various offices from judge of the court down. The two avowed candidates for judge of Swain County Court are T. Frank Hudson and P. S. Carlton. J. W. Ridgout is out for clerk of the court. H. M. Drell is an avowed candidate for tax collector in Salisbury township. There are five citizens who want to be sheriff of the county. These include J. Frank Miller, J. H. Kridler, J. A. Hall and A. M. Rice.

NEW DISCOVERY QUICKLY ENDS
KIDNEY AND BLADDER TROUBLESChronic Sufferers Find Relief
After Few Doses Are Taken.

If you are bothered with backache—or rheumatism, have disagreeable, annoying bladder or urinary disorders to contend with—or suffer with any other of the many miseries that come from weak kidneys, here is a guaranteed remedy you can depend upon, no matter what else may have failed to cure you.

It is a positive fact that the new discovery, Croxone, promptly overcomes such diseases. It is the most wonderful remedy ever made for ridding the system of uric acid, removing the cause and curing the troubles.

It soaks right in and cleans out the stopped up kidneys and makes them filter and sift out all the poisonous

waste matter from the blood. It neutralizes and dissolves the uric acid that lodges in the joints and muscles, causing rheumatism; soothes and heals the delicate linings of the bladder; and puts the kidneys and urinary organs in a clean, strong, healthy condition.

More than a few dozens of Croxone are seldom required to relieve even the obstinate, long-standing cases, while it cures the most annoying forms of kidney, bladder trouble and rheumatism in a surprisingly short time.

You will find Croxone entirely different from all other remedies. There is nothing else on earth like it. It is so prepared that it is practically impossible to take it into the human system without results. An original package costs but a trifle at any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give the desired results the very first time you use it.—Advertisement.

CURE FOR HOG CHOLERA

Dr. Thiele Announces Discovery After
Hundreds of Tests.

Upper Sandusky, O., January 17.—Dr. Ludwig A. Thiele yesterday announced he had discovered a cure and prevention for hog cholera. The announcement was not made until after several hundred tests, covering four months, had been conducted by a board of veterinarians of Northwestern Ohio. The percentage of loss among all sick hogs was only 18 per cent. A complete report of the tests has been made to the Ohio Agricultural Commission.

NEWS OF
SOUTH RICHMOND

SAYS CARS DON'T STOP

Swansboro People to Bring Two
Charges Against Railway Company.

In addition to the complaints of citizens of South Richmond for not maintaining a ten-minute schedule several residents of Swansboro will appear against the Virginia Railway and Power Company with two charges. When the case is heard in Police Court, Part II, on Tuesday morning, the Swansboroans will accuse the company of not maintaining its ten-minute schedule, and of not stopping at every corner on the new line up the Broad Rock Road.

The franchise of the Broad Rock line states that cars must be run every ten minutes, and that stops must be made at every corner. Only three stops are made, it is claimed, between the head of Hull Street and the point where the cars switch back on the Broad Rock Road.

A mass-meeting of the citizens of Swansboro will be held this week to take action on the matter.

Boulder Blocks Track.
A large boulder, dislodged by a dynamite blast set off by the Callahan Construction Company, fell on the track of the Southern Railway yesterday noon near the South Richmond Pumphouse and blocked traffic several hours. In some manner not explained, the charge went off prematurely, and the amount of force behind it was not gauged. The passengers from an incoming train had to be transferred around the obstacle, which was removed after several hours' work. The huge rock is believed to have been loosened by the explosion which killed John Powell, colored, on Thursday morning, near the same place.

May Call Minister.

After being for several months without a pastor the congregation of Stockton Street Baptist Church is expected to extend a call to a pastor this morning. Several ministers have been under consideration for some time.

Both services will be conducted today by the Rev. W. O. Beazley, of Hampden-Sidney College.

Committee to Meet.

A meeting of the annexation committee appointed by the citizens of Forest Hill will be held to-morrow night. The committee has been instructed to ask that the suburb be annexed to the city within three years.

To-Day in Southside Churches.

Rev. A. C. Berryman, the pastor, will preach an appropriate sermon at the opening of the new Woodland Heights Methodist Church this morning. Sunday school will be organized under the direction of Superintendent R. W. Holloway.

"A Crisis in the State" will be the subject of the sermon to be preached by Rev. W. A. Cooper this morning in Central Methodist Church. He will preach to-night on "The Christian Ideal of Womanhood."

Rev. John G. Scott, of Richmond, will conduct the services at Meade Memorial Episcopal Church this morning at 11 o'clock.

Elder A. B. Philpot, a member of the General Assembly from Franklin, will preach this morning in the Woodland Heights Primitive Baptist Church.

In Cowardin Avenue Christian Church the Rev. F. W. Long will preach on "The Constraining Arm." The subject of his sermon to-night will be "A Lost God."

Think They Have Robber.

The police of the Third Precinct believe that John Graham, colored, who was arrested on Friday night by Officer Waymack, is one of the robbers who broke into the cleaning establishment of Arthur Jackson, in Swansboro.

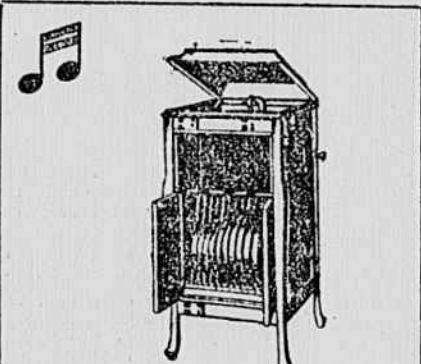

Cured His RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years ago, although I am doing hard work as a carpenter, there was no operation, no loss of time, no trouble. I have nothing to sell, but will give you information about how you may find a complete cure without operation. If you write to me, Eugene M. Pullen, Carpenter, 102 Maple Avenue, Manassas, N. J., I will cut out this notice and show it to any other who are ruptured. You may save a life or at least stop the misery of rupture and the worry and danger of an operation.—Adv.

BAPTIST JUBILATE
TO HAVE PAGEANTTwenty-Fifth Anniversary of Or-
ganization of Missionary So-
ciety to Be Observed.

MISS SALLIE PRIEST.

Arrangements for the celebration of the twenty-fifth anniversary of the organization of the Woman's Missionary Union Auxiliary of the Southern Baptist Convention have been completed. The jubilate, to be observed throughout the entire South on January 21.

The feature of the celebration will be a pageant of the countries in which the Southern Baptist Conference has mission stations. Groups of young women in costume, carrying flags, will represent Japan, China, Africa, Brazil, Argentina, Cuba and Italy. The procession will also have groups of women and children dressed in white and lavender, representing the missionary organizations of the church, the Woman's Missionary Society, the Young Women's Auxiliary, Sunbeams and Royal Ambassadors.

There will be three services during the day. Among the speakers will be Miss Savage, president of the State union; Miss Kathleen Mallory, corresponding secretary Woman's Missionary Union of the South; Miss Sallie Priest, missionary at Shanghai, China; F. W. Li, president of the Boys' Boarding School, Canton, China, and Miss Fannie E. Heck, of Raleigh, president of the Woman's Missionary Union of the South. Miss Priest is a native of Seabree, Ky., and was educated at Chicago University. She sailed in 1906 and has been engaged in educational and Sunday school work in Shanghai, and is now a teacher in the Girls' Boarding School. This is her first furlough.

Union Founded Here.
The union was established twenty-five years ago in Broad Street Methodist Church, and Mrs. Theodore Whitfield presided over the meeting. The collections at the jubilate will be devoted to the \$100,000 Church Building and Loan Fund and the \$1,500,000 Judson Centennial Equipment Fund, the latter fund being applied to building churches, schools and hospitals in the foreign fields.

The larger part of the music to be sung at the jubilate has been composed especially for the occasion. A choir of 200 young women is being trained by Mrs. B. M. Gwathmey, Mrs. Lily Hamberlin and Shepherd Webb. The services will be held under the auspices of the Woman's Missionary Circle of Richmond and vicinity. The officers of which are Miss Caroline C. Holladay, president; Mrs. J. S. Perdue, secretary, and Mrs. Charles Ryland, treasurer. The committee in charge of costume for the pageant consists of Mrs. J. S. Honing, chairman; Mrs. Thomas Johnson, Mrs. W. B. Wee, Mrs. Howard Sutton, Mrs. A. L. Phillips, Mrs. G. C. Jackson and Miss Atta Foster.

WILL BEGIN FIGHT
FOR JAMES RIVER

[Special to The Times-Dispatch.]
Washington, January 17.—After a talk which The Times-Dispatch correspondent had to-day with Congressman Montague and with members of the Rivers and Harbors Committee of the House, regarding the subject of the James River, it became apparent that when the committee reports its bill for the present session Mr. Montague, especially when the subject of a larger appropriation, which may run through several years.

It appears from what was learned here to-day that the committee members were surprised at what developed yesterday, especially when they heard that the city of Richmond had put up nearly half of all appropriations for the James River; that no survey has been made since 1884, and that in addition to this state of affairs it will take nearly forty years to complete the present plan at the rate work is progressing.

Mr. Montague said to-day that after thinking over the incident of yesterday's meeting, he was convinced that it was the proper time to begin an active fight for permanent improvement of the James River, and that the battle might be said to be on from this time.

Mr. Montague is now going over the situation most carefully and will probably further confer with the Rivers and Harbors Committee within the next day or two regarding this important project.

I am thoroughly in earnest about this matter," he said, "and you may quote me to this effect."
